

Light Duty Pusher Gen2 / Gen 3

Product Description:

Our Light Duty Pushers – Gen 2 (1.875" Width, 12"-18" Length) are optimized for health and beauty product displays, ensuring shelf presentation that's well-organized and visually appealing.

Our Light Duty Pushers – Gen 3 (1" Width, 6"-10" Length) are designed for seamless integration with our cosmetics tray and shelf management mat, ensuring an organized and efficient retail display.

Key Advantages:

- Simple to organize and manage small products while maintaining a front - faced section in your retail environment.
- Price tickets are placed neatly in the holder at the front of the display without additional ticket holders.
