

Heavy Duty Pushers

Product Description:

Our Heavy Duty Pushers (3" Width, 12"-18" Length)
Our Heavy Duty Pushers are designed for large and heavy products.
The pushers provide the durability needed for high-demand retail environments and are perfect for single-serve drinks, multipack confectionery, meats, and other large packaged goods.

Key Advantages:

- **Built for Large & Heavy Products** – Designed to support single-serve drinks, multipack confectionery, meats, and other large packaged goods.
- **Heavy-Duty Glide Mechanism** – Ensures smooth, consistent product fronting that maintains a well-organized display.
- **High-Durability Construction** – Engineered for long-lasting performance in high-demand retail environments.
- **Low-Maintenance & Reliable** – Made from premium materials that withstand frequent use with minimal upkeep.

Enhance your retail shelving with Heavy Duty Pushers for a neater, more organized customer experience
