

Multi-Use Heavy Duty Pushers

Product Description:

Our Multi-Use Heavy Duty Pushers (3" Width, 16"-22" Length) are designed to house deli, produce, pasta, and snacks. The pushers effortlessly maintain durability and efficiency in high-traffic retail environments.

Key Advantages:

- **Built for Large & Heavy Products** – Designed to support single-serve drinks, multipack confectionery, meats, and other large packaged goods.
- **Heavy-Duty Glide Mechanism** – Ensures smooth, consistent product fronting that maintains a well-organized display.
- **High-Durability Construction** – Engineered for long-lasting performance in high-demand retail environments.
- **Low-Maintenance & Reliable** – Made from premium materials that withstand frequent use with minimal upkeep.

Upgrade your shelving with Multi-Use Heavy Duty Pushers for a stronger, customer-oriented display!
