Aisle Markers

Put these silent salespeople to work and maximize your in-store promotions. Designed for durability and visibility, these double-sided sign holders ensure your message stands out from every angle. they're the perfect solution for highlighting products, promotions, and aisles in any retail environment.

- Double-sided design for twice the exposure
- Injection-moulded twin-pronged corners for superior stability
- Compatible with slatwall, pegboard, or shelf mounting accessories
- Ideal as aisle markers or gondola toppers
- Custom colors and lengths available upon request
